Hydrostop Coating – Part B

Material Safety Data Sheet
August 2010

**CONCRETE
WATERPROOFING**

QUESTIONS: 1-800-267-8280 or www.kryton.com

Section I – Product Identification

Product Code: **K-720-B**
Product Name: Hydrostop Coating – Part B
Intended Use: Concrete repair and protection
WHMIS: Not controlled
TDG: Not regulated

Section II – Hazardous Ingredients

Ingredient:	% by weight	CAS#	Exposure Limits
Contains no hazardous ingredients			

Section III – Physical Data

Colour: Milky White
Appearance: Opaque
Physical State: Liquid
Odour: Mild acrylic odour
Vapour Density: Not available
(compared to air=1)
Soluble in Water: Yes
Boiling Point: 100°C
Specific Gravity: 1.05
pH: 9.5

Section IV – Fire and Explosion Data

Flammable (Y/N): No
Flash Point and Method: N/D
Hazardous Combustion Products: N/D
Firefighting Measures: Material will not burn

MATERIALS SAFETY DATA SHEET

Section V – Reactivity Data

Chemical Stability:	Stable
Reactivity:	Becomes caustic when mixed with water
Incompatibility with other substances:	Mixture with strong acids and bases will cause rapid decomposition which may release CO or CO ₂
Hazardous Decomposition Products:	None

Section VI – Health Hazard Data

Route(s) of exposure:	Eyes, skin, inhalation, ingestion
Exposure Limits:	None established
Acute Exposure Effects:	May cause slight irritation to skin and eyes. Inhalation of mist or vapour may cause irritation to nose, throat and lungs and cause headache or nausea.
Chronic Exposure Effects:	No known effects
Mutagenicity:	No data
Carcinogenicity:	No data
Irritancy:	Slight
Sensitization:	No

Section VII – Preventative Measures

Protective Clothing to be Worn:	No special clothing required
Respirator:	When spraying, wear a NIOSH approved respirator for mists.
Ventilation:	Adequate ventilation must be provided for all enclosed work spaces.
Storage:	Store sealed in the original container in a dry location. Avoid excessive heat or cold.
Spill Procedures:	Contain and absorb with a non-flammable material such as sand.
Disposal Procedures:	Dispose of in accordance with local regulations.

Section VIII – First Aid Measures

Skin contact:	Flush with large amounts of clean water, use non-abrasive soap if available. Remove any contaminated clothing.
Eye Contact:	Remove any contact lenses. Flush with large amounts of clean water for 15 minutes. If irritation persists, get prompt medical attention.
Inhalation:	Immediately move victim to fresh air. If breathing has stopped then administer artificial respiration. Get prompt medical attention.
Ingestion:	Do not induce vomiting. Guard against aspiration into lungs. Get prompt medical attention.
